## Literacy

**Reading:** Encourage children to read each day. All children received library books from the school for World Book Day. Ask children questions about these books and offer quiet reading times during the day.

**Novel:** The girls have been studying the novel *Fantastic Mr. Fox*. There are a range of resources and worksheets on Twinkl. The link is below:

History & Geography Ideas:

**Ask About Ireland:** This web site covers both History and Geography from infants to 6th class including some great project ideas. There's probably enough here to cover the entire curriculum.

**Scoilnet**

**Geography & History:** Teachers working with Scoilnet have produced a number of subject-based themed pages. Each theme page presents a set of links and resources on different topics. Have a look at the topics that interest you.

**World Book**

The World Book is a resource offered by the PDST. It's like a virtual encyclopedia except a lot more interactive. This is a great resource for researching topics for projects. It is a child friendly search engine.
