

## Suggested Work: Week May 25<sup>th</sup>-29<sup>th</sup>

2<sup>nd</sup> Class

Mr Grew

- Hi girls, It was great to hear that the majority of the class collected their workpacks on Friday. Try your best to work slowly through your pack, completing a little each day. Try and get as much as you can completed but don't put too much pressure on yourselves if you can't finish it all or find some of the tasks a little difficult. I have included some colouring pages & word searches for all the 2<sup>nd</sup> class girls to complete too.
- For this week, it would be great if the girls primarily concentrated on their work packs. However, I have attached links to an art exercise and a P.E workout below that the girls could engage with if they have some free time.
- Hope everyone is minding themselves & enjoying all the sunny weather!
- Please do not hesitate to send me an email on [sgrew@stjosephsfinglas.net](mailto:sgrew@stjosephsfinglas.net) if you have any questions or if you would like any help or feedback on the girls' work.

### Additional Activities

- **Art**
- I have included a 40 minute art lesson called "Draw along Chameleon". The art lesson can be found by copying the link below or typing "Chameleon deep space sparkle" into Youtube. The lesson only requires a pencil & some colouring pencils/markers.

- Please send me a picture of your artwork to [sgrew@stjosephsfinglas.net](mailto:sgrew@stjosephsfinglas.net) .I would love to see all the Room 8 girls' lovely drawings again as I was so impressed with the turtle sketches last week!

- **P.E:**
- Try to keep up with your Joe Wick's workouts or just keep active by playing outside in the good weather. He holds a daily P.E class with the nation every school day, starting at 9 am. I have included a few links to his workouts below.
