I hope this suggested timetable is helpful. If possible, it would be great to receive an email with pictures of any work the children have completed this week to [msmcquaid4@gmail.com](mailto:msmcquaid4@gmail.com) and I can provide your child with feedback and extra help.

I recommend that the children watch RTÉ homeschool hub at 11am each day to help with this week's activities.

If you have any questions or if you or your child would like to arrange a phone call, please email me and we can arrange a time that suits you.

These are the answers to last week's maths questions in Planet Maths. Don't worry if you got some answers incorrect: mistakes help us to learn! Just read my answer to see where you went wrong. Well done to everyone for trying your best! Please keep your maths work for this week safe and I will share the answers next week.

## Counties of Ireland Poem

We are Munster's counties fair.  
Cork, Kerry, Limerick, Clare,  
Waterford, Tipperary here we are,  
Welcoming you from near and far.

Leinster is beyond compare,  
Dublin, Wicklow, Carlow, Kildare,  
Wexford, Offaly, Laois, Kilkenny, Longford and Louth are as  
good as any.

Meath, Westmeath and that is all.  
Over now to province that is small.

Connacht is the smallest oh,  
Galway, Leitrim and Mayo,  
Roscommon, Sligo that's the lot,  
Just one more verse for you we've got.

We are Ulster's counties nine,  
Let's forget the dividing line,  
Donegal, Derry, Antrim, Down, all our counties of renown.  
Armagh, Monaghan and Tyrone, Cavan, Fermanagh  
now all are known.
