

5th Class Ms. O'Connor
21st - 24th April

Hi Parents,

I hope you are all keeping well and safe. I understand this is a very challenging time and that the well-being of you and your children is paramount. I would like to remind you that the work I am suggesting can be treated as a menu to choose from rather than a list to be completed. There are no deadlines for the work and the girls can work through it at their own pace.

I would emphasise the importance of a daily timetable which includes time for work, play, outside exercise and leisure along with meals and household chores. We understand that children may get up much earlier, and go to bed later than is suggested below! This is simply an example:

9.00am-10.00am	Out of bed, play and get dressed
10.00am-11.00am	Breakfast, tidy up and household jobs
11.00am-12.00pm	RTE Home School Hub on RTE2
12.00pm-1.00pm	School work
1.00pm-2.00pm	Lunch and play time
2.00pm-3.00pm	Outdoor exercise time
3.00pm-4.00pm	School work
4.00pm-5.00pm	Creative time - reading, art, dance, music, drama, baking
5.00pm-6.00pm	Project time: a time to work on a specific project like writing a book, colouring, a specific project in an area of interest etc.
6.00pm-7.00pm	Help prepare dinner and tidy up
7.00pm-8.00pm	Family activity time-board games, limited TV etc.

Below is a table of suggestions your child could complete at home. I have given a mixture of RTE2 Home School Hub activities, online activities and practical activities that do not require the use of internet/devices.
