

## IMPORTANT INFORMATION ABOUT THE RE-OPENING OF ST. JOSEPHS GNS

PLEASE MAKE SURE WE HAVE THE CORRECT PHONE NUMBER FOR YOU !!

**Re-opening the school safely** will require the co-operation of all members of our School Community – BoM, School Leadership, Staff, Parents and Pupils. We will all be called on to play our part in ensuring that re-opening of the school is done in a safe manner which prevents the spread of the virus and allows the vital work of Teaching and Learning to proceed with as little disruption as possible.

We have been working on our plan for the safe reopening of the school for some weeks now and have published the DES COVID-19 Response Plan for the safe and sustainable reopening of Primary and Special Schools on our school website. The Response Plan gives details of

- Physical preparation, signage, hand sanitiser stations,
- Advice, procedures and training for the safe return to working in the school for all school staff and pupils
- General and specific advice on how all pupils, staff, parents and visitors will prevent the spread of the virus

We have also published our COVID-19 Policy Statement on the school website as well as the St. Joseph's specific logistics plan for re-opening

**Physical Distancing in school:**We will apply physical distancing in a practical and sensible way.

Physical Distancing will be achieved in two ways: -

**Increasing Separation:** We have re-organised each classroom to make the most of space. Each class will be referred to as a bubble and we will ensure that there is as little contact as possible between children in different bubbles. Within the bubbles, children will be organised into pods. A pod is a group of children (normally 6) who will sit together and who will stay in their pod while in the bubble, or classroom.

**Decreasing Interaction:** Class bubbles will not mix. Bubbles will have different yard times for break and lunch and will stay with their own class in the yard. We will make these routines enjoyable activities for the children, emphasising safety at all times.

**Health:** While all children will be welcome back to school, we would remind parents that, where children are displaying colds, coughs or flu like symptoms, they should not be sent to school. Children who display such symptoms in school will be isolated and parents asked to collect them from the school.

Children who have travelled from countries not on the Green List should not attend school during the 14-day self-isolation period

Further information on COVID-19 symptoms in children is available at: -

<https://www2.hse.ie/conditions/coronavirus/if-your-child-has-symptoms.html>

Teachers will make children aware of the proper hygiene procedures regarding hand washing and etiquette related to sneezing, coughing or spitting. We would be grateful if you could also emphasise safe behaviour in this regard to your children at home as part of the preparation for returning to school.
