

Hi everyone,

I hope you are all still keeping safe and well. It's crazy to think that it is nearly 8 weeks since the girls have been in the classroom with me. I hope they are all doing good and I'm missing them lots. Please feel free to drop me an email to let me know how they are doing, I would love to hear from them. I know a lot of people are feeling the pressure of trying to homeschool their children and carry on with daily life so please rest assured that the work I suggest is just a suggestion and it is up to you to decide what is doable.

If you have any questions at all, or if you would like for me to make contact to talk to the girls over the phone, please feel free to let me know. You can email me seniorinfants@aol.com

Looking forward to hearing from you,

Ms. Buckley

Sight Words

Children should be able to read these words without any hesitation. Practice each day and they can move to the next set of words when they can read them without hesitation. If your child can already read them fluently - practice writing them and putting into a sentence.
