

Hi everyone,

Another week down, another week closer to being back to normality!! I hope everyone is still coping and doing OK.

I put together a pack of Maths, English and Phonics work to be collected at the school. Please work away at these at your own pace. Do not feel under pressure to get it all done, it is just something more concrete to help you with home-schooling! Please know that whatever you can manage to do with your child IS enough!

If you have any questions at all, or if you would like for me to make contact to talk to the girls over the phone, please feel free to let me know. You can email me seniorinfants@aol.com

Looking forward to hearing from you,

Ms. Buckley

Sight Words

Children should be able to read these words without any hesitation. Practice each day and they can move to the next set of words when they can read them without hesitation. If your child can already read them fluently - practice writing them and putting into a sentence.
